

WORKSHOP ON STATISTICAL TOOL AND DATABASE (2nd Session of the AMIS Global Food Market Information Group)

ROME, FAO HEADQUARTERS

Thursday, 4 October 2012 (09.30 -13.00), German Room

This half day is devoted to those representatives who wish to discuss any matters regarding their country's information/data inputs into the AMIS statistical database.

The Secretariat will arrange for one-to-one meetings, or if deemed necessary a group meeting, to address those issues.

Appointments will be made the day before but countries are invited to notify the secretariat in advance if possible.
